**Newsletter No. 4  
September 2009**

### **Fun & Games with Darren      Saturday, October 3<sup>rd</sup>**

Darren Papworth will run various games and trivia exercises for us at this event. It will be at the **Windmill Hill Hall**, open at **6:00 pm** for a **6:30 pm** start, and finish by **10:00 pm**. Please bring a dish of food (casserole or similar) proportional to the number of people you invite. (This is called a 'potluck'.) The orchestra will provide hot drinks and juice. There must be no alcohol involved; this is a condition of the hall hire.

OFLC Advisory: this event includes medium level amplified trombone playing. There will also be Scrabble, Scattergories, Sound Bites and other trivia.

Please tell Virginia how many guests you'll be bringing.  
For a map, see the back of this newsletter.

### **Tasmanian Craft Fair      Saturday, October 31<sup>st</sup>**

The LYCO and ensembles will once again be playing at Rotary Park, Deloraine, during the 2009 Tasmanian Craft Fair. Each group will play at some time between **10:00 am** and **4:00 pm**. The schedule will be decided in October.

### **End of Year Concert      Friday, November 27<sup>th</sup>**

This concert will be in the **Newstead College Auditorium**, starting at **7:45 pm**. Please bring a plate. Please also bring some audience. We had a good turnout for the mid year concert; let's make this one even better.

### **Concert with CCO      Sunday, November 29<sup>th</sup>**

Margaret has been assisting the **Cradle Coast Orchestra** for many years, and their conductor attended our winter workshop, but we haven't seen the orchestra since Strung Out in 2007. This year we will travel by bus to **Burnie**, to rehearse with the CCO and then play at their final concert. This will take most of the day. The exact schedule will be decided in November.

### **Margaret Returning**

Margaret has been overseas since August. She will return to conduct the October 2<sup>nd</sup> rehearsal and onwards.

### **Residential Summer String Camp      January 2010**

We are now accepting applications for the 20<sup>th</sup> annual string camp. Most of our string players already know about this. If you don't, find a camper from previous years and ask them why you should attend.

Applications become more expensive after November 30<sup>th</sup>, so book early, including a \$50 deposit.

Virginia is also looking for more camp parents. If you are able to volunteer, talk to her.

For information or application forms, go to the camp website:
