

Photography, Filming, and Recording

At no point is anyone allowed to take a photograph or video, or any other image of a child while at camp.

The exception to this is where LYCO employ a named photographer whose role will be to take photographs of the life of the camp, and to take a group photograph of all campers together. These photographs may be made available on the website after the camp, and after any identification badges have been removed from the image.

At no point is anyone allowed to make a recording of any part of the life at camp, including:

- orchestra rehearsals, sectionals or tutorials
- concert

The exception to this is:

- that LYCO will make a recording of the entire concert and will make it available on the website after the camp
- and any ensembles not mentioned above that are playing music without copyright restrictions, or with permission from the rights holder, and providing all participants consent

It is a condition of attending this Camp that you agree that any photographs taken by the photographer may be used by the Launceston Youth & Community Orchestra Inc.
