The Residential Summer String Camp is a seven day camp for string players of all ages and all abilities, from complete beginner to the more experienced. The daily schedule focuses mainly on orchestral rehearsals, but that is not all!

Electives are held in:

- * Jazz Improvisation
- * Celtic Fiddling
- * Aural Training, and
- * Chamber Music with opportunities to perform through-out the week.

As well as
* workshops
* masterclasses, and
* individual tuition there is time to get together with friends old and new to play impromptu ensemble music.

There are four orchestras at the Residential Summer String Camp which accommodate all levels from complete beginners to more experienced players. No auditions are necessary. Requirements for each orchestra can be found on the website.

A concert is held on Saturday after lunch at the end of camp.

Each orchestra will play a selection of the repertoire that they have been working on during the camp - a chance to bring family and friends to celebrate a week's hard work.

The camp is fortunate to have a fantastic team of local and (Covid notwithstanding!) inter-state tutors and conductors, all highly experienced and passionate about sharing their love of music.

Most adults stay in Camp Clayton's comfortable accommodation. There are also on-site facilities for camping in tents, caravans and motor-homes. Some people prefer to sleep off-site. Unaccompanied children (9-17yrs) are given to the care of a Camp Parent, and sleep in dormitory-style accommodation. Details of fees, accommodation, meals etc can be seen on the 'Camp Info' page of the website.

The camp is fully catered: all meals and snacks are provided. Camp Clayton offer individually plated meals for people who have allergies or who need special diets.

Camp Clayton is a nut-free environment
