

Orchestras

At the Residential Summer String Camp you will join one of four orchestras, from beginner to advanced. You will rehearse in the orchestra and in sections for up to 4½ hours each day, and play music you never thought possible.

Preludio Strings

Conducted by **Maria Grenfell**

You must be able to read basic music in the key of D major:

Melaleuca Orchestra

Conducted by **Margaret Hoban**

You must be able to fluently read music in C, G or D major, and A, E or B minor (0 to 2 sharps). Your music will usually be in first position.

Lemonthyme Orchestra

Conducted by **Kevin Cameron**

You must be fluent in E flat to A major and C to F sharp minor (3 flats to 3 sharps). You must be able to sight-read in these keys up to third position (violins and violas) or fourth position (cellos).

Freycinet Orchestra

Conducted by **Willem Van der Vis**

Repertoire for this orchestra includes unabridged classical scores. You will be expected to sight-read these through once, then work on phrasing and articulation, without needing to repeat sections just to get the basic notes right.

Chamber Music

Then you leave your conductor behind and learn to fit music together by listening and watching along with 2 to 8 similar musicians in your chamber group.

Accommodation

Camp Clayton has cabins/bunk rooms for younger campers and shared accommodation for adults. Children are cared for by a team of camp parents.

This is a full residential camp. All meals and snacks are provided.

Electives

Go beyond classical music with our elective tutors, or learn techniques to get the very best out of your instrument.

Activities

While not playing, enjoy the giant swing, flying fox, indoor soccer, archery, beach walks and swimming, rock wall climbing, and the high ropes course.
