

## **Code of Conduct**

Launceston Youth & Community Orchestra Inc (LYCO) condemns all forms of child abuse, neglect, and unlawful discrimination, and is committed to creating and maintaining an environment which promotes safety and inclusiveness.

This Code of Conduct sets out the standard of behaviour expected from all people associated with or representing LYCO. It provides guidance on the standard of behaviour expected of LYCO's employees and volunteers, and seeks in accordance with legislation to prevent abuse and to deal with allegations of abuse.

### **Object**

The primary object of this Code is to protect children and others from abuse, neglect, and unlawful discrimination and other inappropriate behaviour.

LYCO is an organisation that has received, and may in the future receive funding from the Crown for the provision of education wholly or partly for children. As such, all employees and volunteers engaged by LYCO may be bound by the mandatory reporting requirements under the *Children, Young Persons and Their Families Act 1997* (Tas) (Act) with respect to children under the age of 18.

The *Children, Young Persons and Their Families Act 1997* (Tas) (Act) defines abuse or neglect as meaning:

- sexual abuse; or
- physical or emotional injury or other abuse, or neglect, to the extent that:
  - (i) the injured, abused or neglected person has suffered, or is likely to suffer, physical or psychological harm detrimental to the person's wellbeing; or
  - (ii) the injured, abused or neglected person's physical or psychological development is in jeopardy

### **Mandatory reporting of abuse or neglect**

All employees and volunteers engaged by LYCO may have a special mandatory duty under the Act to inform Child Protection Services or a Gateway Service if on reasonable grounds they believe or suspect, or know that a child has been or is being abused or neglected. Mandatory reporters may face penalties if they fail to inform Child Protection Services or a Gateway Service of their knowledge, belief or suspicions.

All employees and volunteers engaged by LYCO must inform themselves about the existing State Government reporting guidelines (see DECYP Reporting Concerns)

All members of staff and volunteers are also expected to report any allegations to the LYCO Committee.
